- a) What is Attention? Explain the factors that control direct attention.
- b) What are the types of conflicts which may cause frustration ?
- c) What are the personality traits important for a successful nurse ?
- d) Explain the monocular cues of depth perception.

SECTION - C

4. Attempt any two LAQ out of three :

(2×15=30)

- | | |
|---|---|
| a) i) What are mental mechanisms ? | 3 |
| ii) How are mental mechanisms useful ? | 4 |
| iii) Explain in detail any four mental mechanisms. | 8 |
| b) A nurse has admitted a child in children's ward who has had a cycle accident. The little girl is ten years old, strong and healthy, the daughter of a successful doctor. | |
| i) What is your opinion about the child's intelligence ? | 2 |
| ii) What factors have contributed to the intelligence ? | 6 |
| iii) Highlight the features of intelligence. | 7 |
| c) i) Define Psychology. | 2 |
| ii) Explain any 4 branches of Psychology. | 6 |
| iii) Why do you think Psychology is important as a subject, for the Nurses ? | 7 |
-

62504

First Basic B.Sc. Nursing Examination, May/June 2011
PSYCHOLOGY

Total Duration: Section A + B + C = 3 Hours

Section B & C Marks: 60

SECTION - B & SECTION - C

- Instructions:*
- 1) *All questions are compulsory.*
 - 2) *The number to the right indicates full marks.*
 - 3) *Draw diagrams wherever necessary.*
 - 4) *Do not write anything on the blank portion of the question paper. If written anything, such type of act will be considered as an attempt to resort to unfair means.*

SECTION - B

2. Answer **any five** out of six :

(5×3=15)

- a) Enlist three ways in which gland functioning affects behaviour.
- b) List 3 sources of frustration with one example each.
- c) What does the term 'behaviour' means ?
- d) Enlist 3 advantages in being a member of a group.
- e) List the characteristics of social or learned motives.
- f) Give 3 examples to illustrate body-mind relationship.

3. Answer the following (**any three** out of four) :

(3×5=15)

- a) Illustrate 'Maslow's hierarchy of needs' with a diagram.
- b) What are the causes of mental retardation ?
- c) Write a short note on the psychological needs of adolescents.
- d) Explain the need for control of emotions for positive health.

SECTION - C

4. Attempt **any two** LAQ out of three :

(2×15=30)

- | | |
|---|-----------|
| A) i) Define personality. | 2 |
| ii) What are the projective tests ? | 5 |
| iii) Discuss the factors influencing personality development. | 8 |
| | <hr/> |
| B) i) What is meant by mental health ? | 2 |

SECTION – B & SECTION – C

Instructions: 1) *All questions are compulsory.*

2) *The number to the right indicates full marks.*

3) *Draw diagrams wherever necessary.*

4) *Do not write anything on the blank portion of the question paper. If written anything, such type of act will be considered as an attempt to resort to unfair means.*

SECTION – B

(SAQ)

2. Answer the following (**any five** out of six) :

(5×3=15)

- a) What is meant by self-actualization ?
- b) Enlist the psychological changes occurring during anxiety.
- c) What is the significance of defence mechanisms ?
- d) Difference between guidance and counselling.
- e) Physiological changes in emotion.
- f) Group morale.

3. Answer the following (**any three** out of four) :

(3×5=15)

- a) Explain short term and long term memory.
- b) Types of conflict.
- c) Factors determining attitudes.
- d) Characteristics of mentally healthy individuals.

P.T.O.

SECTION – C

(LAQ)

4. Answer the following (**any two** out of three) : (2×15=30)
- a) i) Define learning. 2
 - ii) Explain three major laws of learning. 5
 - iii) Explain the theory of trial and error with experiment. 8
 - b) i) Explain the stimulus and social motives. 8
 - ii) Discuss the relevance of motivation to nursing. 7
 - c) i) Define mental health. 2
 - ii) Basic qualities essential for a good counsellor. 5
 - iii) Define counselling and give phases of counselling. 8
-

62504

First Basic B.Sc. Nursing Examination, Summer 2014
PSYCHOLOGY

Total Duration: Section A + B + C = 3 Hours

Section B & C Marks: 60

SECTION – B & SECTION – C

- Instructions:**
- 1) Use **blue/black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All** questions are **compulsory**.
 - 4) The number to the **right** indicates **full** marks.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all Sections.

SECTION – B

(30 Marks)

(5×3=15)

2. Answer the following (**any five** out of six) :
- a) Explain frustration with examples.
 - b) Explain the factors affecting attention, giving 3 examples.
 - c) Explain three advantages of being a member of a group.
 - d) Give three examples to illustrate body-mind relationship.
 - e) Write the characteristics of a mentally healthy person.
 - f) Explain about Forgetting.

3. Answer the following (**any three** out of four) :

(3×5=15)

- a) Explain the General adaptation syndrome by Hans Seyle with one example.
- b) Explain the Maslows hierarchy of needs.
- c) Explain the psychological needs of adolescents.
- d) Define perception. Explain the difference between illusion and hallucination.

SECTION – C

(30 Marks)

(2×15=30)

4. Answer the following (**any two** out of three) :

- a) Define memory.
 - i) Define learning.
 - ii) Explain the steps of learning process.
 - iii) Explain the factors that contribute to effective learning.
- b) Explain the factors that affect memory.
- c) Discuss various methods to improve memory.

First BASIC B.SC. NURSING, Winter 2014

Psychology

Total Duration: Section A+B = 3 Hours

Total Marks :75

Section - A & Section - B

Instructions:

- 1) Use blue/black ball point pen only.
- 2) Do not write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
- 3) **All questions are compulsory.**
- 4) The number to the **right** indicates **full marks**.
- 5) Draw diagrams **wherever necessary**.
- 6) Distribution of syllabus in Question Paper is **only meant to cover entire syllabus within the stipulated frame**. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
- 7) Use a common answer book for all section.

Section "A" (40 Marks)

1. Short answer question (**any five out of six**) : (5x5=25)
 - a) Sources of Stress
 - b) Frustration
 - c) Defence mechanisms
 - d) Modes/ways of Learning.
 - e) Problem Solving.
 - f) Attention
2. Long answer question (**any one out of two**) : (1x15=15)
 - a) Define Personality. Discuss in detail the factors affecting personality development. Explain briefly the types of personality.
 - b) Define Motivation. Write in detail the types of motives. Discuss any two theories of motivation.

Section "B" (35 Marks)

3. Short answer question (**any four out of five**) : (4x5=20)
 - a) Memory Process
 - b) Kinds of Thinking
 - c) Intelligence tests, their advantages and limitations
 - d) Mental hygiene in old age.
 - e) Attitude

4. Long answer question (any one out of two) :

(1x15=15)

- a) Define Emotion. Write characteristics of emotion. Explain the role of emotions in health and sickness.
- b) Define Psychology. How does psychology help in good nurse-patient-relationship. Explain in brief the various methods used in psychology.
