Brief Report of the Program

Maharashtra University of Health Sciences (MUHS) was established by the Government of Maharashtra through an ordinance on 3 June 1998, and the Act was passed by the State Legislature on 10 June 1998. Therefore, 10 June is celebrated every year as **MUHS Foundation Day** in all affiliated colleges across the state.

To mark this occasion, PRES Sindhutai Vikhe Patil College of Nursing, Chincholi, Sinnar organized a 28th MUHS Foundation Day Celebration on 10 June 2026 at 10:00 a.m. at the college playground. The program commenced with the hoisting of the MUHS flag, followed by the singing of the MUHS University Song. Faculty members, non-teaching staff, and students actively participated in the celebration.

Mr. Amol S. Sabale, Associate Professor, addressed the gathering and provided detailed information about the history, objectives, functioning, and achievements of MUHS. He emphasized the University's commitment to excellence in health sciences education, research, innovation, and community service.

The Chief Guest, Dr. Charushila Bhangale, Principal of Women's Pharmacy College, Chincholi, delivered an inspiring address highlighting the importance of the medical and nursing professions. She encouraged students to uphold professional ethics, maintain the

dignity of healthcare professions, and dedicate themselves to compassionate patient care. She also emphasized the social responsibility of healthcare professionals in creating, preserving, and disseminating scientific medical knowledge for the betterment of society.

The program also highlighted the Vision and Mission of MUHS, focusing on quality healthcare education, research excellence, interdisciplinary learning, and the development of competent healthcare professionals committed to serving the nation. Students were motivated to contribute positively to society through professional excellence and lifelong learning.

The program concluded with a vote of thanks, reaffirming the institution's commitment to the values and objectives of Maharashtra University of Health Sciences.
